

Developing God's Leaders for His Church

A roundtable discussion for current and aspiring leaders

What this program is about and who it is for:

Developing the next generation of leaders in God's Kingdom has existed throughout Christendom. This program will help participants to identify and provide concrete steps to encourage future leaders, whether you are currently serving as an elder, deacon, minister or aspiring to be a leader in the church.

You will have the opportunity to connect with church leaders around the Northwest in roundtable discussion groups. There will also be a special women's track in the program for wives of current and aspiring leaders.

The program will include a light lunch and beverage service.

About The Speaker:

Dr Evertt Huffard has taught leadership for over 30 years, has served as an elder, and has been a resource for many elders. He believes spiritual leaders constantly seek to discern what God calls them to do to fulfill his mission with the gifts he has given them.
